Deputy Commissioner's Office.
Bangalore District.

No. D. 964.

Dated 19th February 1892.

TO

The Secretary to the Dewan of Mysore,
Muzrai Branch.

Sir,

I have the honor to state that during my inspection of the Gangadhareswaraswamy's temple at Gavipur, I found that the temple and its precincts, together with the Kalyani, were kept in a filthy and insanitary condition.

2. This temple is within two miles of the Town, and there are several Chattrams in the locality. It is a favourite place of holi-day resort to all classes of Hindus, all the year round. The gathering on festive and marriage occasions, is very large. It is highly essential that the temple, its sorroundings and the Kalyani are kept so as to avoid all chance of epidemics breaking out of the crowding of people in this hot season.

3. Much has been done by the Municipality to improve the road leading to the temple and to clear the filth and rubbish accumulted in and around the Chattrams and in the village.

4. The temple Pujari, has for many years, been living in a house built inside the temple walls and has enclosed within his house, a large stone Trisula which is one of the sights of the place. His living within the temple is objectionable both on religious and sanitary grounds. I have given orders that he should, at once, move out of the temple.

5. Funds are required for carrying out the above improvements to the temple and to the Kalyani and to compensate the Pujari. The temple has only a Tasdik of Rs. 246-9 and there are no funds at its credit. I would request that Rs. 200/- may be granted from the
